Public transportation S-Bahn S8 Munich / Hallbergmoos / Airport:

From the airport take the train `S8` direction to Munich, at the second stop (driving time about 6 minutes) exit at `Hallbergmoos`.

From there enter directly the bus line `698` and exit at `Bürgermeister-Gruber-Strasse` (driving time about 7 minutes).

From there follow the main road 30 meters to our hotel, Theresienstrasse 50.

To go to the airport on your departure day you follow this route just the other way round, the first busses leave already at 03:55 am direction to the S-Bahn.

We are situated a few minutes away from the Munich airport.

Concomitant with the hotel & hostel concept you have different opportunities to come to our hotel or from here to the airport, dependent on to your budget.

We do not offer a charged, somehow included hotel shuttle like some other hotels. We keep our room prices down and leave it up to you, if you prefer the cheap public transportation or if you use a taxi.

If you have your own car, there is a direct motorway approach road to Hallbergmoos and we offer parking places free of charge during your stay.
